

Emergency Response Coordinator – Mid-Cumberland Region (ERC 2)

Monthly Salary Range: \$3,924-\$7,064

The Tennessee Department of Health, Mid-Cumberland Region is seeking a Regional Emergency Response Coordinator to direct the emergency preparedness activities of our region, the most populous rural region in the state. Duties associated with this position include: developing county and regional emergency response plans and biohazard plans; facilitating county and regional Emergency Response Committees; serving as chairperson of the Regional Emergency Response Committee; working closely with all health departments within the Mid-Cumberland Region, TEMA, EMS, FBI, local fire departments, local law enforcement officials, local hospitals, as well as other health care providers; conducting assessments of county and regional vulnerability, skill levels of existing staff, risk communication needs, training needs, and equipment needs; developing and delivering emergency response training; and implementing an on-going schedule of drills and exercises to assure continued preparedness.

The ideal candidate will have experience in conducting trainings, writing and updating plans, grant management and budgeting. This is an executive service position which serves at the pleasure of the appointing authority. The position requires travel, a valid driver's license and the availability to respond to emergencies. Interested parties should submit resumes to Lorie Tuck at lorie.tuck@tn.gov or to her attention at TN Dept of Health, Mid-Cumberland Region, 710 Hart Lane, Nashville, TN 37243. Questions should be directed to the email address above.

The Tennessee Department of Health is an AA/EEO/ADA equal opportunity employer.
